

Another Luxury Hotel Opened In Tokyo

Aman Tokyo has opened in December, 2014 with 84 rooms and suites on 33-38 floor of Otemachi Tower, where has an easy access to all points of interest in Tokyo including Ginza shopping district, and overlooks The Imperial Palace Gardens and Mt. Fuji .

Garden Reception is a landscape of its own, that has two rock gardens under about 30m tall washi paper sculpture of Japanese lantern, which allows diffused sunlight to illuminate the lobby beautifully during the day.

The Rooms are spacious and modern, drawing inspiration from the Japanese aestheticity. Each room and suite has a large deep soaking furo – bathtub and bathroom in Japanese that consummate relaxation during your stay.

The Restaurant by Aman will serve its guests from breakfast to dinner based on Mediterranean cuisine also including the inspiration of Japanese and Asian dishes and ingredients.

Aman Spa/ he wellness facilities such as Fitness Center, Yoga studio and a 30m sky-high swimming pool, covers 2500sqm]. Furthermore, there is also a **Cigar Lounge** with a built in humidor, and a **Library** with books about Japanese international art and culture, as well as some Japanese artifacts.

Experience world's amazing top class service provided by Aman Tokyo while you are in Tokyo!
